

School-Based Mental Health: New Horizons

Panel Discussion

Dr. Lila Amarali

Dr. Ella Amir

Mr. François Sirois

Dr. Christopher Fuzessy

Discussion Questions

1. What is your vision for school-based mental health?
2. What structures and/or conditions are needed to support school boards and schools?
3. What can educators do tomorrow to help their schools and classrooms better support students' mental health?

Discussion Questions

1. **What is your vision for school-based mental health?**
2. What structures and/or conditions are needed to support school boards and schools?
3. What can educators do tomorrow to help their schools and classrooms better support students' mental health?
